WHAT IS THE 4 QUESTIONS TRAINING?

Answering the crisis of abortion with the gospel of life

The Crisis

- In a culture where abortion is common, the pressure is overwhelming, and the after-effects are devastating, do you know what to do and say when it matters most?
- Are you prepared to respond to the next pregnancy-related crisis coming your way?
- Do you know how to make a persuasive and winsome case for life in a secular culture?
- How do we bring the gospel of Christ to the guilt and grief of abortion?

The Gospel of Life

"The gospel of life" is our way of summarizing all that God says regarding human value and all that God summons us to do to cherish and protect innocent human life.

The 4 Questions

1. What does God say about human life, including life in the womb?
2. What does God say about the shedding of innocent blood, including abortion?
3. How do we bring the grace of the gospel to the guilt of abortion, so that people are forgiven and set free?
4. What does God call us to do to stop the shedding of innocent blood, and how have others done so?

Starting with biblical theology and bioethics, and combining science, apologetics, historical examples, and current models of pregnancy crisis intervention, this training is designed to help you and your church stand for life with courage, confidence, and compassion right where you live.

Around the World

The 4 Questions Training was originally designed for the underground church in China. It is intentionally simple yet theologically persuasive, so it can be shared immediately with others. The 4 Questions has now been taught and re-shared millions of times in nearly 50 countries and dozens of languages, and it continues to positively impact the Church and birth rates across the globe.
